if you have  
questions, ask

If you are **sick**, too **busy**, or **otherwise indisposed**, it is important to change or cancel your appointments at least 24 hours in advance. **by Email** | chat | **by phone (voice message)**.  
We will bill you if you fail to show up or cancel.

**Please bear in mind that we work above board and in line with our contract.**

**That means no signature for a treatment that did not take place, except for bills in case of no-shows.**

All bills are due immediately. For a direct payer in advance. Fees for private prescriptions are due on the last day of treatment. No-show fees before the next treatment.

**Please inquire about costs.**
